

## love & squalor

### 2019 Willamette Valley Pinot Noir

A really classic Willamette Valley Pinot nose, with lots of red cherries, black tea, orange zest and a streak of Thai basil. Nice, bright acidity steals the show from soft tannins with a subtle grip. The wine tastes like a soda fountain cherry phosphate mixed with blackberry, straw and lemon verbena flavors. No squalor here, just a whole lot of love.

- Michael Alberty
